Glazed Porcelain Tile

CURATION NOTES

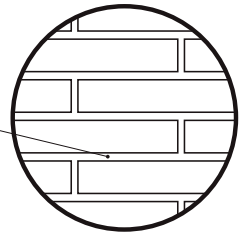

Harlem collection features 6 stunning colors and surfaces typical of kiln bricks. A versatile option that brings texture and depth to any setting. These elongated 2" x 18" porcelain tiles establish the perfect focal point, embodying a retro brick aesthetic. Available in a slightly textured matte finish and an array of warm reds, greys, and multicolours blending seamlessly, this brick-look tile is perfect for various surfaces like interior walls and floors. It's the perfect choice for a kitchen backsplash, bathroom floor, feature walls in a variety of residential and commercial applications. You can also use it exterior on floors and wall applications like a real brick. Harlem is the perfect combination of modern and throwback to the late 70s and 80s trends. The beauty of exposed brick, its tactile charm and urban soul can be found in Harlem, as it evokes the contemporary atmosphere of the trendiest metropolitan neighborhoods.
