COLOR NOTES

White

Grey

Graphite

Illinois features a very soft aesthetic but despite this, has quite strong variation due to the aggregates. Proper mixing and care in orientation and placement is key to getting an organic and flowing result. *Especially for cut pieces*

CURATION NOTES

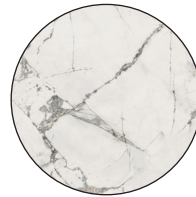

- Illinois is all about constraint. It's the epitome of artisan exposed aggregate concrete with a refined use of glossy ink to enhance the chips.
- The glossy ink is subtle and only visible from oblique angles or when lit with wash-lighting - creating a dynamic canvas.
- Orientation of cut pieces must be considered carefully in relation to adjoining pieces to avoid contrast that is too strong. This characteristic is what makes Illinois such a rich and enveloping collection.

PAIRING NOTES

WORKTOPS

Nordik Wood Gold
64" x 127"

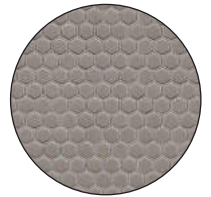

Invisible Select
64" x 127"

BACKSPLASH

Downtown Collection
Multiple Formats

Calm Mosaics
3/8" x 7/8"

Number of faces is shown in the largest format - in this case, 24x48". Regardless of format, Illinois Collection features 80 sq.ft of unique graphics
