Color NOTES

Cotton Cream Sky Silver Night

*Colors of Italian Select Travertino have been intentionally softened with lighter contrast ratio to bring a classic look into modern context.

Curation Notes

- Stately European elegance with subtle tweaks to update for modern design aesthetics
- Larger scale allows for movement to be faithful to the iconic material but reduces 'busy-ness' characteristic of classic travertino
- Modern scale rectangular mosaics perfect for accents & multi-slope shower bases
- Porcelain performance in a delicate stone varietal offers ease of ownership & performance for decades impossible in the natural material
